

SUNFROG SOLUTIONS SOCK TUTORIAL

Template is for production of a pair of socks, with one sock on the left end, and one on the right with toes facing outward. Do not fill the center space between the two inner pink lines.

LEFT SOCK

RIGHT SOCK

LEAVE BLANK

THIS GUIDE IS WHERE THE HEEL OR BEND WILL BE.

THIS GUIDE IS THE TOP OF THE SOCK

THESE GUIDES REPRESENT THE SIDES TO HELP WITH SINGLE LOGO PLACEMENT

To allow template to work for all sock sizes, please ensure core elements fit in white area between pink bleed areas, and that you bleed out images, background colors, etc to fill the pink bleed areas.

Create a new layer(s) to put your design on, and turn off layer left and layer right before saving final file.

Image size should be 47.243w" x 10"h @150 to 300 DPI ideally.
